## WORKBOOKS/ MATHLETICS 2010

Dear Parents and Caregivers

This note provides details regarding the workbooks your child will be using this year. We have placed an order with Wiseman's Books and these books will be available from the school for your convenience. We have managed to gain a slightly better price than you would pay if you purchased these through them individually.

Students in Year 1 and 2 do not have to purchase another Word Bank for Young Writers as their copy from last year has followed them. If you are new to our school you will need to purchase this workbook.

### MATHLETICS

After a very successful year of Mathletics in 2009 we have decided to continue with this valuable learning tool. The cost per child is \$12, which is heavily subsidized by the Australian Government, for government schools. Mathletics is an essential part of the schools homework program and directly correlates to the Mathematics the children are completing in class.

#### Benefits of Mathletics:

- **Live Mathletics** – students compete live against students from around the world in mental arithmetic
- **Full K - 12 curriculum coverage** – revise for exams, cover gaps in learning, extend bright students
- **Support Centre** – step by step animated support for every concept maths concept
- **24/7 access** – learn anytime, anywhere
- **Parent reports** – comprehensive reports for parents every 7 days by email

To view Mathletics:

Visit [www.mathletics.com.au](http://www.mathletics.com.au)

Please send to the school the amount shown for your child /rens grade to the office.

The money / cheque should be in an envelope with attached sheet. All cheques need to be made out to Kurrajong Public School. When paying cash please include the exact money.

If you require a receipt, please request one on your return slip.

Thank you for your cooperation

Roslyn Jones  
Coordinator

Judy McEwen  
Principal
